Add to your home without it looking like an addition.

More than just an award-winning custom home builder, Riverside Builders can upgrade and update your home to fit your current needs and tastes. We know just how to blend architectural improvements into the overall appearance of your home so it looks like it was part of the master plan.

No remodeling/renovation job is too big or small

We work with a range of budgets and projects, from a simple bathroom remodel to larger projects like adding a second story to a Satellite Beach home or adding an in-law suite to a Suntree home.

Got an empty nest?

After the kids have flown the nest, open up the cramped interiors of 20-, 30- and 40-year-old homes. We can move or remove walls without compromising structural integrity.

Riverside Builders is a design / build company that will complete your project in a professional, timely manner. Call us at 321-288-1798 to schedule a personal consultation or email info@riversidebuilders.com
